

## ■ LPG & GASOLINE CARGO TRUCK (LHD)

The versatile K-TIGER chassis can be customized to meet various industry demands such as ambulances, fire trucks, and refrigerated trucks, making it a valuable asset for your company. Whether for emergency services, logistics, construction, or leisure, the K-TIGER cabin chassis offers reliability and efficiency. Upgrade your business with the customizable K-TIGER cabin chassis for a wide range of applications.

A silver K-Tiger Cabin Chassis truck is parked on a city street during sunset. The sun is low on the horizon, creating a warm glow and long shadows. In the background, there are several modern high-rise buildings and trees. The truck is a cab-over-engine model with a flatbed trailer.
